6.0 APPLICABLE LAW AND RULES *(Effective 1-1-06, as amended 7-1-10, as amended 7-1-10, as amended 7-1-12)*

This rule covers judicial arbitration and civil action mediation. Counsel should ensure compliance with all Trial Court Delay Reduction rules. It does not apply to contractual arbitration pursuant to Code of Civil Procedure section 1280 *et seq.*

Counsel and neutrals utilizing these procedures must familiarize themselves with the applicable statutes and California Rules of Court. For judicial arbitration such provisions are Code of Civil Procedure sections 1141.10 to 1141.31 and California Rules of Court, Rules 3.810 through 3.830; for mediation such provisions are Code of Civil Procedure section 1775 through section 1775.15 and California Rules of Court, Rules 3.850 through 3.860.

Refer to California Rules of Court, Rule 3.811 to determine the following actions are exempt from Arbitration:

- a. Actions that include a prayer for equitable relief that is not frivolous or insubstantial.
- b. Class actions.
- c. Small Claims actions or trial de novo on appeal.
- d. Unlawful Detainer proceedings.
- e. Any action found by the Court to be not amenable to arbitration or mediation on the ground that arbitration or mediation would not reduce the probable time and expense necessary to resolve the litigation. Upon its own motion or by any party, the Court may determine whether the action is or should be exempt from arbitration or mediation.

In addition to those actions exempted from arbitration by Rule 3.811 and all limited civil cases in which no jury trial is demanded, cases with an estimated time for trial of less than two days, shall be excluded from mandatory arbitration or mediation. Any case, however, may be arbitrated or mediated upon written stipulation of the parties, upon written request of the plaintiff, or upon order of the Court. When no preference is expressed by litigants or there is no consensus to the selected ADR process, the court may make a mandatory referral to mediation.

- f. Pursuant to Code of Civil Procedure section 1775.4, an action ordered into arbitration may not be ordered into mediation and an action that has been ordered into mediation may not be ordered into arbitration. If an action has previously been referred to the Court ADR program and an ADR hearing was scheduled, the action cannot be ordered/referred again.

g. As defined by CRC 3.735, a short cause action is exempted from ADR. *(Effective 1-1-06, as amended 7-1-10, as amended 7-1-10, as amended 7-1-12)*

RULES APPLICABLE TO BOTH ARBITRATION AND MEDIATION

6.1 COURT FILE

The Court's file shall remain in the possession of the Clerk of the Court. Parties are to provide copies of any court pleadings or other materials to the neutral as they deem appropriate. *(Effective 1-1-06)*

6.2 ADR ADMINISTRATOR

Management of Superior Court judicial arbitration and mediation is conducted generally under the supervision of the ADR Administrator. *(Effective 1-1-06)*

6.3 ADR ORDERS AND FURTHER STATUS CONFERENCE

The Court shall determine on a case-by-case basis the suitability of a particular case for mediation or arbitration. The Court shall confer with counsel as to whether mediation or arbitration offers the better likelihood of final disposition of the case without further proceedings. Counsel are encouraged to discuss the various ADR processes with their clients and explain the confidentiality and non-binding nature of the selected ADR process. Whenever the Court orders arbitration or mediation, it will set the dates for completion of such arbitration or mediation and a further status conference following such completion dates. *(Effective 1-1-06)*

6.4 SELECTION OF ADR NEUTRAL *(Effective 1-1-06, as amended 1-1-07, as amended 7-1-10, as amended 7-1-12)*

When a case is referred to arbitration or mediation, counsel/parties shall proceed immediately to the ADR Administrator to complete the ADR forms prior to selecting an arbitrator or mediator from the Court's panel. The ADR Administrator shall maintain a panel of arbitrators and a two-tiered panel of mediators. Selection of the arbitrator shall be by stipulation or in the event there is no stipulation, assigned by the ADR Administrator. Parties may use the local court form entitled *Stipulation to Participate in Alternative Dispute Resolution (ADR)* (form ADR.020). Selection of a mediator from the "party select" panel shall be by stipulation. For parties wishing to utilize the "random select" panel, a mediator shall be randomly assigned by the ADR administrator.

The parties may exercise their right to select an arbitrator or mediator who is not on the Court's panel (CRC, Rules 3.815, 3.893); it shall be the responsibility of plaintiff's counsel to immediately notify the ADR Administrator that the parties will not require the services of the arbitrator or mediator previously appointed or selected from the Court's panel.

In limited civil cases, the ADR Administrator will randomly assign an arbitrator or mediator.

When a case is referred to ADR without an appearance, plaintiff or plaintiff's counsel must contact the ADR Administrator to initiate the ADR process. Upon completion of the ADR forms,

9.1 COURT'S POLICY ON CHILD CUSTODY ISSUES *(Effective date 7-1-90, as amended 7-1-98)*

It is the policy of this Court to assure the minor child(ren) have frequent and continuing contact with both parents after the parents have separated or dissolved their marriage and to encourage parents to share the rights and responsibilities of child rearing in order to effect this policy.
[Family Code (FC) §3020]

Pursuant to FC §3160, Family Mediation Services will be available in all child custody and visitation disputes. These services will be provided by Butte County Family Court Services and are in lieu of a Family Conciliation Court. *(Effective date 7-1-90, as amended 7-1-98)*

9.2 POLICY: MEDIATION *(Effective 7-1-90, as amended 1-1-01, as amended 7-1-14, as amended 1-1-15)*

It is the policy of this Court that out-of-court resolution of all issues in family disputes is generally preferable to contested hearings. The rules regarding mediation and the rules regarding meet and confer requirements and settlement conferences are to be construed in light of this policy.

All parties to matters involving child custody or visitation shall complete the mediation process prior to any contested hearing on the issue of child custody/visitation.

Private sector mediation may be used in lieu of the family mediation services of this Court by agreement of both parties.

When proceedings are for post-judgment modification of child custody or visitation and where both parties no longer reside in the county, the Court may consider transferring the matter to a more appropriate venue on its own motion.

Although the Court does not mandate mediation of family issues other than those related to the child(ren), it is preferred that parties and counsel obtain the services of a private sector mediator for negotiation of all non-child custody and visitation issues which they are unable to otherwise resolve. *(Effective 7-1-90, as amended 1-1-01, as amended 7-1-14, as amended 1-1-14, as amended 1-1-15)*

(a) In all proceedings where there is a contested issue regarding the custody of or visitation with a minor child and the parties are unable to reach an agreement prior to their hearing, the Court will order the parties to attend mediation with Butte County Family Court Services or with an agreed mediation service. In the event the parties have not met with a child custody recommending counselor prior to the hearing, the Court will normally order the parties to schedule a mediation conference and continue the matter until mediation of those issues can be conducted.

(b) The purpose of mediation proceedings shall be to reduce any hostility which may exist between the parties and, where appropriate, to develop an agreement or make recommendation

If no agreement is reached, the mediator, in the role of a child custody recommending counselor, shall submit a written custody and visitation recommendation to the parties, attorneys, and the Court for consideration pursuant to FC §3183(a). The provisions of FC §3025.5 regarding confidentiality are applicable to the submitted report and recommendation.

(c) Mediation may be available on the day prior to the hearing for parties who have traveled exceptional distances to attend. Prior arrangements for such mediation should be made in such cases to avoid unnecessary travel, or delay of the hearing.

(d) Parties who do not have a pending family law action before the Superior Court may request mediation from Butte County Family Court Services or an agreed private mediation service.

(e) In the event parties participate in informal mediation pursuant to 9.3(d) and no agreement is reached, a recommendation will not be made by the child custody recommending counselor.

(a) The mediation session(s) with the parties shall be held in private. In all matters in which the mediator who conducted the initial mediation session is asked to testify and in which a recommendation pursuant to FC §3183 was submitted, privilege and confidentiality may not apply. At a contested hearing where the child recommending counselor is called to testify, the counselor may be questioned by the parties and the Court as to the basis for any statement or recommendation contained in his or her report.

If the child(ren) have appointed counsel in the family law matter, that counsel may be present at the interview with the child(ren) at the discretion of the child custody recommending counselor. Counsel for the child(ren) must be notified of any interviews in sufficient time to allow counsel to be present at the interview, should counsel for the child(ren) choose to do so.

(d) Pursuant to CRC §5.215(d)(6), Family Court Services shall offer separate mediations in the event of domestic violence allegations. In all other instances, Family Court Services shall have discretion whether to meet with the parties separately.

(h) Trial Setting: If custody and/or visitation issues remain unresolved after the settlement conference, the settlement conference judicial officer shall set the matter on TRAC and the matter will proceed to trial on those issues.

The Director of Family Court Services shall review the letter and forward copies of the request to each party and to the court. The parties shall have twenty (20) days to file a motion challenging the request. If no motion is filed, the court may grant or deny the request for withdrawal and Family Court Services shall notify the Child Custody Evaluator and the parties of the Court's decision. (b) FORM OF PAPERS PRESENTED FOR FILING

1. It is the duty of the attorney (or the party appearing without an attorney) to prepare and submit the supporting documents and proposed orders for all matters. All such documents shall include the time and date of the hearing, typed under the caption of the front page.

2. If a Judicial Council form is available for the particular form of relief sought, that form shall be used. The form is to be used in the same format as prescribed and printed by the Judicial Council. Only current Judicial Council forms are acceptable for filing.

3. A proposed form of order is to be submitted with each petition or motion for relief. Any petition or motion filed without such proposed form of order will not be calendared for hearing until such time as the proposed form of order is submitted.

(c) PROCEDURES FOR EX PARTE MATTERS

1. If the ex parte matter is contested the petition shall so specify. If necessary, the Clerk will contact the attorney of record so the matter can be added to the next available calendar for hearing.

(a) All applications for ex parte orders must contain a list of any and all requests for special notice which have been filed in the proceedings or contain an allegation that no special notice has been requested. If any such notice has been requested, a waiver must accompany the petition.

(b) If it is reasonably likely there will be a dispute or contest as evidenced by documents on file in the proceeding, then all parties must be notified pursuant to California Rule of Court §3.1200-3.1207 of the time and place where the application for the ex parte order will be made. Proof by the attorney's declaration of such notification shall accompany the petition.

2. For good cause, the Court may require a noticed hearing before approval of any matter. *(Effective 7-1-98, as amended 7-1-99, as amended 7-1-12, as amended 1-1-14)*

12.2 BOND OF PERSONAL REPRESENTATIVE *(Effective date 7-1-98)*

(a) AMOUNT OF BOND

1. Unless the requirements of Prob. §8481 are met, a bond will be required of every person appointed as a personal representative. As a general policy, the Court will require at least a \$10,000 minimum bond even if the value of the estate is less than \$10,000.

2. A petition to appoint a personal representative should set forth the estimated value of real property, personal property, and the estimated annual income from all property.

3. If the estimated value of the assets of the estate is not known at the time of the filing of the petition for appointment, ordinarily the personal representative must appear at the hearing to testify as to the estimated value of estate assets.

4. If written waivers are attached to the petition, bond will ordinarily be waived by the Court pursuant to Prob. §8481, provided all heirs or beneficiaries are competent to act. If any such persons are incompetent (e.g., minors), an appropriate representative must waive bond on their behalf.

(b) **METHODS OF REDUCING BOND**

1. There are three basic methods for obtaining a reduction of bond.

A. The first is to deposit or invest a specified amount of assets before the order of appointment is made, obtain a receipt and agreement to hold the assets in a blocked account, and offer the receipt and agreement in evidence when the petition for appointment comes on for hearing. The facts upon which the reduced bond is sought should be set forth, either in the original petition for appointment or in a separate petition to be heard simultaneously.

B. The second is to obtain in the order appointing the representative, a provision that if assets are deposited or invested in blocked accounts the bond may be fixed in a reduced amount. A receipt for the deposit must be obtained from the depositary and filed with the Clerk. The Clerk is then authorized to issue letters upon the filing of a bond in the reduced amount.

C. The third is to obtain a reduction of bond after the representative has qualified and entered upon the administration of the estate. If a deposit and reduction in the amount of the bond is anticipated, this may be covered in the original order of appointment; if not, a subsequent petition should be filed. It is often convenient to present this petition with the first annual account. Petitions to decrease bond are subject to a hearing with notice given to all heirs or beneficiaries.

2. **LIMITATION OF AMOUNT ON DEPOSIT WITH ONE FINANCIAL INSTITUTION:** Monies in blocked accounts shall not exceed the limit of Federal Deposit Insurance Corporation insurance for each individual bank or savings and loan association. The attorney shall immediately file an ex parte petition for an order authorizing establishment of additional blocked accounts into which funds exceeding the insurance limit shall be deposited.

3. **CORPORATE AND INDIVIDUAL EXECUTORS:** A corporate executor cannot assume responsibility for the acts of individual co-executors. Individual executors must provide bond as required by law. If a deposit is made under the provisions of Prob. §8483 to reduce bond, it must be made jointly by the corporate and individual co-executors.

4. **BOND OF NONRESIDENT PERSONAL REPRESENTATIVE.** A personal representative who is a nonresident of California and who is nominated to serve without

bond may nevertheless be required to post such bond as the Court may require. Ordinarily, the amount of the bond will be the minimum bond in effect in Butte County which is currently \$10,000. However, in the Court's discretion, the maximum amount may be imposed, which is the value of the personal and real property, plus the amount of estimated income for one year for both the personal and real property. This rule applies even if there are co-executors and one or more are California residents. In the case of a personal representative who is also the sole beneficiary, the same rule applies for the protection of potential creditors.

5. **MULTIPLE REPRESENTATIVES.** When multiple representatives are appointed by an order which directs that "letters shall issue to them", the Clerk will not allow less than all to qualify and have letters issued separately. If qualification of less than all is desired, it must be so provided in the order of appointment.

6. **DISTRIBUTEES' BOND.** This Rule addresses the bond required by a personal representative to administer an estate. In certain circumstances, such as a preliminary distribution, a bond may be required of the distributee. (See Prob. §11622)

(c) **TIMELINESS OF BOND**

1. The bond is to be filed with the Court within 10 (ten) days after the appointment of the personal representative of the estate.

2. Failure to file the required bond shall be cause to remove the executor or administrator. *(Effective date 7-1-98, as amended 7-1-12)*

12.3 SALES BY PERSONAL REPRESENTATIVES

(a) **SALES OF REAL PROPERTY - APPRAISAL WITHIN ONE YEAR**

1. Probate Code §10309 requires that real property to be sold in an estate proceeding must be appraised within one year prior to the date of the court confirmation hearing. Probate Code §8802 requires that the first appraisal of all property be as of the date of death. All appraisals must reflect the fair market value of the property.

2. When the date of the confirmation hearing is more than one year after date of death, a reappraisal for sale (on the Judicial Council form) must be filed with the Court before the confirmation hearing can proceed. Reappraisals must be made by the probate referee unless appointment of the referee has been waived by the Court.

3. The following phrases should be inserted in the reappraisal for sale immediately after the legal description of the real property:

Appraised as of date of death

[insert month, day and year] \$ _____

Appraised as of [insert CURRENT

month, day and year] \$ _____

4. The sum offered for the property must be at least 90 percent (90%) of the appraised value of the property within one year prior to the confirmation hearing. (Prob. §10309)

(b) BOND ON SALE OF REAL PROPERTY

1. Petitions for confirmation of sale of real property shall set forth the amount of bond in force at the time of the sale and the amount of property in the estate which is required to be covered by a bond. (See Prob. §8482) If no additional bond is required or if bond is waived, that fact should be alleged in the petition.

2. Personal representatives subject to a bonding requirement who have full authority under The Independent Administration of Estates Act shall post their initial bond upon qualification in an amount sufficient to cover all personal property, income for one year from all sources, and the estimated proceeds of the sale of the real property. (See Prob. §10453)

(c) BROKERS' COMMISSION ON SALE OF REAL PROPERTY

1. Improved Property: Upon the confirmation of sale of improved real property, the Court ordinarily will allow a broker's commission not to exceed six percent (6%), or such lesser percentage as has been negotiated between the personal representative and the broker subject to net sale amount.

2. Unimproved Property: A broker's commission not exceeding ten percent (10%) of the first twenty thousand dollars (\$20,000.00), eight percent (8%) of the next thirty thousand dollars (30,000) and five percent (5%) of the balance of the sales price, ordinarily will be allowed for the sale of unimproved real property. The Court will determine, in each instance, whether property is "unimproved property".

3. Agents or brokers bidding or overbidding on their own behalf or on behalf of an entity of which they are part owner will not be allowed a commission. (Prob. § 10160.5)

4. The Court will not consider whether a broker is employed when receiving overbids.

5. Divisions of Commissions. Counsel is referred to Prob. §§10160 et seq.

(d) CASH DEPOSIT TO ACCOMPANY BID ON REAL PROPERTY

1. Bids for the purchase of real property shall be accompanied by a minimum of ten percent (10%) of the amount of bid. When an overbid is made in court, the bidder shall submit cash, money order or certified check at the time of the hearing in the amount of ten percent (10%) of the minimum overbid. (The minimum overbid is an increase over the bid returned to the Court by ten percent (10%) of the first ten thousand dollars (\$10,000) and five percent (5%) of the balance of the sales price.) Overbids shall be in accordance with Prob. §10311.

2. At the request of the attorney for the estate selling the real property, or on the Court's own motion if good cause exists, the Court may relax the requirements set forth above. The petition for confirmation of sale or the request made in open Court should state the reasons for the lower deposit (e.g., all-cash financing by the Veteran's Administration, or by Cal-Vet or by some other governmental agency.)

(e) NOTICE OF SALE OF PROPERTY SOLD. Notices and returns of sale should provide a common as well as a legal description of the property sold, as well as the Assessor's Parcel Number.

(f) TERMS TO BE STATED IN NOTICE OF SALE OF REAL PROPERTY

1. Counsel should use extra care in wording of the published notice of sale. If the property is being sold subject to an encumbrance, the notice should so state. (See *Mains v. City Title Insurance Co.*, 34 Cal.2d 580 (1949) It is advisable that the notice call for "[c]ash or cash and such credit terms and conditions as the Court may approve."

2. The terms of the sale shall be consistent with the terms stated in the notice.

(g) DISCLOSURE OF EXTRAORDINARY COSTS ON SALE OF REAL PROPERTY

1. The petition shall include a full disclosure of all extraordinary costs which the estate will incur as a result of the sale. Such costs include, but are not limited to, termite and other repairs, lender's "point," loan fees and nonrecurring closing costs. The exact amounts required or the maximum which the estate will be required to pay shall be disclosed in the petition and included in the order.

2. Extraordinary costs will be deducted from the gross bid, and the resultant "net" will be used for the following purposes:

- A. Determination if the sale is within ninety percent (90%) of appraised value;
- B. The base figure against which overbids are made; and
- C. The real estate broker's commission.

The above amounts shall be set forth in an attachment to the petition.

(h) NOTICE OF CONFIRMATION HEARING. In addition to the requirements of notice contained in Prob. §10308(c), notice of the Court hearing for confirmation of a sale of real property shall be mailed at least fifteen (15) days prior to the hearing date to all heirs and beneficiaries who may have an interest in the subject real property.

(i) APPEARANCE BY BIDDER. Counsel should advise the original bidder, together with any potential bidders and their representatives, to be in Court at the time the petition for confirmation of sale is heard.

(j) EXCLUSIVE LISTINGS

1. Personal representatives with authority to administer the estate under the Independent Administration of Estates Act need not obtain a Court order to enter into an exclusive listing for real property.

2. Personal representatives who determine it is necessary or advantageous to seek such a Court order shall observe the following:

- A. Such petitions shall be granted only where a clear showing of necessity and advantage to the estate is made. Ordinarily, these petitions will be granted ex parte. Facts indicating necessity and advantage might include: past unsuccessful exposure, condition of the property and/or neighborhood, out-of-country

residence of personal representative, or a contract which pre-dates the establishment of the court proceeding.

B. The petition and proposed order shall also include the name of the broker, address of the property, the fact that the Court sets commissions and that they are payable only if the sale is confirmed, and that all commissions are payable in accordance with Prob. §10160 et seq. The duration of the contract must be specified. Ordinarily, the Court will not approve a term exceeding ninety (90) days.

C. A copy of the listing agreement should be submitted with the petition. The listing agreement must conform to the conditions set forth above and shall further set forth in detail the obligations and duties of the broker, including but not limited to the requirement to list on Multiple Listing Service(s), place signs and advertise in newspaper[s].

D. Extensions of listing agreements shall follow the above procedures.

(k) **SALES OF PERISHABLE OR DEPRECIATING PROPERTY.** If the Estate contains perishable or depreciating property, it should be disposed of promptly. If there has been an unreasonable delay in disposing of perishable or depreciating property, the Court may hold the personal representative accountable for the decreased value of the property.

(l) **SALE OF PROPERTY SPECIFICALLY DEVISED OR BEQUEATHED.** On a sale of property specifically devised or bequeathed, either notice of the time and place of the hearing of the return of sale shall be given to the specific devisee or legatee, or the consent of such devisee or legatee to such sale shall be filed with the Court.

(m) **SALE OF SECURITIES**

1. Subject to Order of Court.

A. A verified petition for authorization of sale of stocks, bonds or other securities described in Prob. §10200 must contain an allegation regarding any request for special notice and compliance with such request and one or more of the following:

- (1) Statement as to necessity for sale, giving reasons, i.e., taxes, expenses of administration, indivisible number of shares, etc.
- (2) Consent or request of heirs; if the securities are specifically bequeathed, the petition should so allege and the written consent of the legatee should be filed.
- (3) An allegation that a power of sale is conferred by the will.

B. If Securities are not listed on an established stock or bond exchange, they may be sold at a minimum price per share or bond, based on a recent market quotation, set forth in the petition. The market quotation may be obtained from financial publications or from securities brokers. If such securities are “closely held,” or there are no recent market quotations available, the petition should set forth the basis for fixing the minimum sales price (e.g., inventory and appraisement value).

2. Subject to Independent Administration of Estates Act (Prob. §§10400 et seq.)

A. A personal representative with authority to administer the estate under The Independent Administration of Estates Act may sell securities listed on an established stock or bond exchange and other assets referred to in Prob. §10537, when sold for cash, without court order. The sale shall be reported in the account and report filed by the personal representative.

B. Notwithstanding the above, real or personal property may be sold in accordance with the provisions of Prob. §10400 et seq.; provided, however, that any person objecting to a proposed action under Prob. §10400 et seq. shall give notice to the personal representative at least forty-eight (48) hours in advance if he or she petitions the Court for an order restraining such sale, and the petitioner must show good cause. *(Effective date 7-1-98)*

12.4 COMPENSATION OF PERSONAL REPRESENTATIVES AND THEIR ATTORNEYS

(Effective date 7-1-98, as amended 7-1-13)

(a) COMMISSIONS AND FEES MUST BE FIXED BY COURT

1. There is no authority for payment of any commissions or fees in advance of the court authorizing such payment. Where commissions or fees are paid in advance of court authorization, at the time of the accounting or other request for approval of compensation, the Court ordinarily will require an appearance by counsel or declaration stating the reasons therefore. The Court may require the personal representative or the attorney respectively to pay interest at the applicable legal rate from the date of payment to the date of the order authorizing the same, or may impose a surcharge, or may impose both interest and a surcharge.

2. When requests for fees are for services performed, the detail must reflect that time which was spent by the attorney and that spent by a paralegal. For each such person performing services for which compensation is being requested, the hourly rate charged for each such person or classification is to be set forth. The qualifications of a “paralegal” are to be set forth whenever fees are requested for services performed by a paralegal.

3. All contingency fee contracts to which the personal representative is a party, shall be submitted to the Court in advance for approval. A copy of the contingency fee contract shall be attached to the petition requesting approval.

(b) COMPENSATION FOR EXTRAORDINARY SERVICES

1. Application for compensation for extraordinary services must include detail of what was done, and how much time was spent by whom, in performing services for the ordinary fee. Under ordinary circumstances, extraordinary fees will not be awarded where the time spent in ordinary representation, plus the time spent in performing the extra ordinary services, does not exceed the statutory fee for the estate.

2. Applications for fees or commissions for extraordinary services shall be accompanied by a complete statement of facts upon which such application is based and shall specify the amount requested for each item of service, not merely a “reasonable amount.” The services claimed to be extraordinary shall be described in detail, including dates, time spent, necessity for the work, complexity of legal and/or factual issues and results accomplished. Submission of itemized time sheets by themselves will ordinarily not be sufficient to establish a claim for extraordinary services. Each specific area or item of extraordinary service should be segregated into different categories, such as litigation, sale of real property (or where applicable two categories for two sales of real property), preparation of federal estate tax return, other tax work, etc. Where applicable, each category of extraordinary service should be segregated into subcategories such as correspondence, discovery, settlement discussions, trial proceedings, etc. For each category of service, specify the total number of hours spent by each attorney or paralegal and specify the hourly rate of each individual and provide some description of the experience and expertise of each individual providing extraordinary service. All information should be provided in a declaration or declarations under penalty of perjury.

3. Compensation for extraordinary services ordinarily will not be approved before the final accounting except in cases where it is shown to the Court’s satisfaction that the estate or heirs will benefit, e.g., where it would be beneficial to reduce income taxes in a given fiscal period, or where ongoing litigation precludes presentation of a final accounting and attorneys must be retained or compensated to represent the estate in ongoing litigation. The Court ordinarily will allow extraordinary compensation for representing the estate in litigation outside of the regular administration of the estate upon a properly noticed petition upon completion of the service. Upon a proper showing, the Court may authorize progress payments prior to completion. Where the attorney or personal representative requesting a progress payment prior to completion of extraordinary work believes that public disclosure of the information required by subparagraph 2 immediately above may adversely affect the estate’s interest in ongoing litigation, the petitioner may include an allegation in the petition stating why the detailed information has been deleted from the petition and that said detailed information is concurrently being filed with the Court in a sealed envelope with a request for an in camera inspection. If it is shown to the satisfaction of the Court that said detailed information may adversely affect the estate’s interest in ongoing litigation, the Court will ordinarily order that the matter remain under seal until the resolution or termination of the ongoing litigation.

4. Extraordinary compensation and costs of a will contest before probate, a petition to revoke a will after probate, and/or a petition to determine persons entitled to distribution from the estate will not be allowed from the estate unless it is shown to the Court’s satisfaction that the personal representative was under a legal obligation to defend or prosecute such contest or proceeding or that the heirs and beneficiaries received a benefit so that on distribution they bear the compensation and costs in proportion to their distributive shares. (See Estate of Pryor 51 Cal.App.2d 735 (1942))

5. When evaluating a request for extraordinary compensation, the Court may consider whether the statutory compensation is sufficient to compensate adequately for

all services that have been rendered and may request a declaration of the attorney or the personal representative substantiating all services required.

(c) **EXPENSES OF ACCOUNTING MAY BE DEDUCTED FROM THE PERSONAL REPRESENTATIVE'S STATUTORY COMPENSATION.** The personal representative may employ tax counsel, tax auditors, accountants, or other tax experts for the preparation of tax returns and for the other tax-related services. To the extent that the personal representative utilizes the services of such counsel, auditors, accountants, or other experts to perform ordinary accounting and bookkeeping services, including the preparation of the schedules for court accountings and pays for such services from the funds of the estate, the Court may deduct any such sums so paid from the funds of the estate from the personal representative's statutory commission. *(Effective date 7-1-98, as amended 7-1-13)*

12.5 OBTAINING A HEARING DATE *(Effective 1-1-05)*

Parties or counsel seeking to calendar any hearing must contact the Clerk at (530) 532-7017 to determine available hearing dates and obtain a reservation before filing the moving papers. Nothing in LR §12.5 shall be construed to alter notice or other procedural requirements applicable to such filings. *(Effective 1-1-05)*

12.6 SPOUSAL AND/OR COMMUNITY PROPERTY PETITIONS *(Effective 7-1-12)*

- (a) Spousal and/or Community Property Petitions must be accompanied by a Memorandum of Points and Authorities setting forth the information supporting the requests made in the Petition.
- (b) The Court may consider if necessary, an appointment of a Guardian Ad Litem. *(Effective 7-1-12)*

12.7 PRELIMINARY AND FINAL DISTRIBUTION *(Effective 7-1-98, as amended 7-1-02, as amended 7-1-12)*

(a) **FORMS OF DECREES.** A decree of distribution shall be drawn so that the full extent of the decree may be determined without reference to the petition on which it is based or to other documents, such as to the decedent's will. If the distribution includes any interest in real property, the legal description shall be included in the body of the decree or in an attachment incorporated by reference.

(b) DISTRIBUTION TO MINORS

1. Court policy requires that any cash distributed to a minor be placed in a blocked account at a bank or savings and loan association. Withdrawals from such account shall be allowed only pursuant to a court order. Before the Court will order such a distribution under Prob. §3401, the written assurance required under §3401(c)(2) must be filed with the Court. [See Judicial Council Forms MC 355 & MC 356]
2. The personal representative shall file a receipt acknowledged by the financial institution indicating the deposit of cash into a blocked account.

3. Ordinarily, withdrawals requested during minority may be obtained ex parte upon a showing of good cause. The Court will treat all such requests in a conservative manner in order to preserve the funds for the minor's use upon reaching majority.

4. When the minor reaches age eighteen (18), ex parte application may be made to the Court for an order to release the funds directly to the beneficiary. A certified copy of the birth certificate shall be attached to the petition.

5. In the absence of a guardianship, the estate action number may be used for the filing of documents pertaining to the assets distributed under this section. *(Effective 7-1-98, as amended 7-1-02, as amended 7-1-12)*

12.8 FINAL DISCHARGE *(Effective 7-1-98, Retitled and amended 1-1-16)*

Within 18 months after the Court grants the initial probate petition, the personal representative, conservator, or guardian of the estate must complete the following:

- (a) distribute or transfer all property of the estate as required by the Final Distribution Order,
- (b) file receipts evidencing all distributions or transfers, and
- (c) file an Ex Parte Petition for Final Discharge and Order.

Upon a showing of good cause, the Court may extend the deadline to comply with the provisions of Local Rule 12.8. *(Effective 7-1-98, Retitled and amended 1-1-16)*

12.9 RESERVED *(Effective 7-1-98)*

12.10 CONSERVATORSHIPS *(Effective date 7-1-98, as amended 1-1-03, as amended 7-1-09, as amended 1-1-11, as amended 7-1-12, as amended 7-1-13, as amended 1-1-14)*

(b) COURT INVESTIGATOR

1. In all cases, the petitioner or his or her attorney must submit a completed Court Investigator Information Sheet to the Clerk's Office at the time of the filing of the petition for appointment of a conservator.

2. The provisions of the Probate Code concerning the duties of the Court Investigator apply whether or not the proposed conservatee is the petitioner, [contrary to Probate Code §1826(o).]

3. The Court Investigator must be informed immediately of any change of address for the conservatee, the conservator or any attorney of record. This may be accomplished by submitting a new Court Investigator Information Sheet.

4. After filing, the Court's file will be submitted to the Court Investigator for his use.

5. Assessment for the cost of the Court Investigator's investigation shall be paid as ordered by the Court. Prob. §1851.5 permits the county to waive, defer, or order paid in part such fee in case of hardship. Assessments will be billed to the estate or, where applicable, to a trust where the conservatee is a beneficiary. Conservator shall provide the Court Investigator's Office with the current address of the trustee of any such trust.

6. Assessments shall be paid to Butte County Superior Court.

7. Original plus one copy required of the following at the time of filing for use by the Court Investigator: Petition for Appointment, Confidential Supplemental Information, Confidential Screening, Court Investigator's Information Sheet, doctor reports and accountings.

8. Additional fees and/or mileage costs may apply for any time the court investigator must travel out of county to perform an investigation due to the other county not performing courtesy investigations.

(c) TEMPORARY CONSERVATORSHIP

1. Ordinarily, no petition for appointment of a temporary conservator will be considered by the Court prior to the filing of a petition for appointment of a permanent conservator. The bond must be filed with the Court within five (5) court days of appointment as temporary conservator. Failure to do so will result in removal as the temporary conservator.

2. The petition for appointment of a temporary conservator may be brought ex parte, provided that the provisions for notice to proposed conservatee required by law are satisfied, either by giving notice to the proposed conservatee or by submission of a declaration showing facts sufficient to allow the Court to determine that good cause exists to eliminate or alter the notice requirements and provided that the following information is submitted:

A. The original and copy of the petition and proposed order;

B. A detailed statement of facts in the petition establishing the necessity for the temporary conservatorship; and

C. An endorsed, filed copy of the petition for appointment of the permanent conservator.

D. If the attorney is informed that the petition for appointment of a permanent conservator will be contested, all known potential objectors shall be notified at least forty-eight (48) hours in advance of the time and place the petition for appointment of the temporary conservator will be presented. However, if facts are found which make it clear that the notice required by this section would tend to adversely affect the conservatee or the conservatee's estate, notice to potential objectors may be waived upon a showing of exigent circumstances.

3. Ordinarily, the Court will require a bond for temporary conservators of the estate.

4. Letters of temporary conservatorship expire on the date of the hearing on the appointment of the permanent conservator or thirty (30) days after appointment of the temporary conservator, whichever is earlier, unless the Court extends the termination date pursuant to Prob. §2257.

(d) INDEPENDENT EXERCISE OF POWERS. No powers specified in Prob. §2591 will be granted in the absence of a clear and convincing factual showing that the grant of each power requested is needed to administer the estate, and that the grant of such power is for the advantage, benefit and best interests of the estate.

(e) CONDITIONS FOR APPOINTMENT OF INDIVIDUAL CONSERVATORS

1. BOND OF CONSERVATOR. Bond for an individual conservator of the estate shall not be waived. Under special circumstances, the Court in its discretion may order a reduced bond where the conservatee, having sufficient capacity to do so, has waived or requested bond amount. Bond of the conservator may be reduced by deposit of assets into block accounts. The bond must be filed with the Court within ten (10) days of appointment as conservator. Failure to do so will result in removal as conservator.

2. HANDBOOK. Prior to the hearing for appointment of conservator, the proposed conservator shall obtain the “Handbook for Conservators” by accessing it at www.courts.ca.gov/documents/handbook.pdf.

3. DUTIES OF CONSERVATOR. A completed form “Duties of Conservator” and “Confidential Conservator Screening Form” (JC Form GC-348 and GC-314) shall be filed simultaneously with the petition for appointment.

(f) ALLOWANCE OF FEES IN CONSERVATORSHIP PROCEEDINGS.

1. No fees will be ordered paid in conservatorship proceedings until the filing of the inventory, but in no event until the expiration of ninety (90) days from the issuance of letters, pursuant to Prob. §§2640-2642.

2. Conservators of persons or estates or both and attorneys may petition the Court for just and reasonable compensation earned to the date of filing the petition. The petition for compensation shall set forth the hours spent and services performed by the conservator, the attorney and any paralegal. At the time of filing the first accounting, the conservator and attorney (and the attorney on behalf of the paralegal) may petition the Court for compensation, or additional compensation earned from the date of a prior award, by setting forth the hours spent and the services performed.

A. Ordinarily, reasonable compensation for conservators shall not exceed seventy-five dollars (\$75) per hour.

3. Fees for services which could ordinarily be provided by someone of less skill than the conservator (such as running errands, shopping and the like) will be compensated at a rate which one might expect for the performance of such duties rather than at a rate which might be appropriately paid to the Conservator for services which require the skill, training and expertise of a conservator.

A. In the event the attorney for a conservator performs some of the administrative and bookkeeping functions normally performed by the conservator, the attorney may be awarded a larger amount of the combined fees and the conservator allowed a smaller portion thereof so that the total compensation awarded is no larger than that provided for under the guidelines set forth above.

4. Where all or a portion of the fee awarded exceeds cash on hand in the estate, the Court may, in appropriate circumstances, issue its order imposing a lien for fees on any or all of the assets in the estate. Ordinarily, enforcement of the lien will be deferred until the assets of the estate subject to the lien have been liquidated for reasons other than the satisfaction of the unpaid fee.

5. To be valid, contingent fee contracts with an attorney require prior court approval. It is advisable for the attorney to petition the Court for its approval prior to rendering services.

6. The title of the petition embodying an application for the payment of fees and of the notice of hearing of such petition shall include a reference to the request.

7. Compensation to an attorney representing a conservatee may be ordered at the conclusion of the hearing on the appointment of the conservator.

(g) PRIVATE PROFESSIONAL CONSERVATORS.

1. REGISTRATION. All parties who fit the definition of a Private Professional Conservator as described in Prob. §2341 must register with the Clerk's Office. Contact the Clerk's Office for the current fee. One set of fingerprint cards and a Certificate of Registration of Private Professional Conservator are required when registering.

(h) APPOINTMENT OF LEGAL COUNSEL. Appointment of legal counsel pursuant to Prob. §§1470 and 1471 is made in the following manner:

B. If the conservatee or proposed conservatee is not indigent, an attorney's name is obtained through the Court's list of attorneys available for appointment. The attorney will be paid up to his or her usual hourly rate from the conservatee's estate.

C. If a conservatee or proposed conservatee has retained legal counsel independently, the representation is subject to approval by the Court.

(i) ACCOUNTINGS

A. The conservator or successor conservator may either arrange to pick up the original lodged confidential supporting documents or provide a self-addressed stamped envelope for their return upon final determination and approval of the conservator's account by the Court. If the conservator or successor conservator is picking up lodged documents in person, they must sign a receipt pursuant to CRC §10.610(c)(8) and CCP §1952.2. Where deposing counsel so desires, a party may be required to appear for a deposition concerning those issues raised by an application for temporary relief (e.g. temporary support, injunctive orders, etc.) and that party may be required thereafter to submit to the resumption of his/her deposition on issues concerning the ultimate merits of the case. Similarly, where issues in the case are bifurcated, (e.g., a separate trial on custody), the deposition of a party may be similarly bifurcated and limited to those issues then pending before the Court if deposing counsel so elects. Whenever deposing counsel elects to conduct a deposition of a party in a bifurcated fashion, [s]he shall make such intention known in the Notice of Deposition and at the beginning of the deposition by stating same on the record.

C. VOLUNTARY SETTLEMENT CONFERENCES

This Court adopts the policy that good faith efforts to settle family law trials are an essential part of the judicial process and that good faith efforts to settle shall be encouraged. Therefore the Court offers Voluntary Settlement Conferences as a mechanism for such good faith efforts.

1. Authority to Settle

a. All parties and their attorneys, specifically the attorney(s) who is/are to try the case, are required to attend the settlement conference and must have full authority to make decisions and negotiate concerning the case for which the settlement

conference is scheduled. Failure to have authority or to be present are subject to sanctions by the Court.

b. The attorneys and parties must be familiar with all pertinent facts and evidence regarding the matters at issue for the trial.

2. Requesting a Voluntary Settlement Conference

a. At the time a party files an At-Issue or Counter-At-Issue Memorandum the party may attach to the At-Issue or Counter-At-Issue Memorandum a "Request for Voluntary Settlement Conference." All documents required to be filed for trial with the At-Issue or Counter-At-Issue Memorandum are required to be filed and to be complete.

b. The Clerk may set the matter for the next TRAC which is at least ten days or more after the filing of the At-Issue or Counter-At-Issue Memorandum. Both parties or their attorneys shall attend that TRAC and shall be given preference to be set first on the Voluntary Settlement Conference schedule. Both parties must agree to a voluntary settlement conference. It shall be deemed that there is no objection to the request for a voluntary settlement conference if no objection is filed within ten days after the At-Issue or Counter-At-Issue Memorandum containing the request is filed with the court.

3. Voluntary Settlement Conference Officers

a. The Voluntary Settlement Conference shall be conducted by family law attorneys who shall be appointed by the Court to serve as Superior Court Settlement Officers. The date, time and location of the settlement conference shall be determined by the Court.

b. Voluntary Settlement Conferences shall be conducted by a panel of two Settlement Conference officers; one shall be designated as Senior Settlement Conference Officer.

c. To be designated Senior Settlement Conference Officer, the attorney must be in good standing with the State Bar of California for at least ten years and either be a certified family law specialist or have a practice which consists of at least 75% family law. The attorney's primary office must be in Butte County. All other Settlement Conference Officers must be attorneys who are in good standing with the State Bar of California for at least three years and have a practice which consists of at least 35% family law. The attorney's primary office must be in Butte County.

4. Settlement Conference Statements and Supporting Documents

a. Not less than five (5) days prior to the scheduled settlement conference, each party shall lodge (not file) with the Court and serve on all parties and their attorneys of record a Settlement Conference Statement. The Settlement Conference Statement shall be in writing and shall describe the case and all relevant legal and factual issues and contentions. The Settlement Conference Statement is to be sufficiently detailed to enable the court Settlement Officer to conduct a meaningful settlement conference.

b. The attorneys for each party or each party representing himself or herself shall bring to the settlement conference all pertinent documents for examination by the Settlement Conference Officers.

5. Notice to Court Upon Reaching Settlement

Should any case set for voluntary settlement conference settle or otherwise terminate before the date of any voluntary settlement conference, the attorneys for the parties, or the parties representing himself or herself, shall immediately notify the clerk pursuant to CRC §3.1385.

D. FINAL TRIAL PAPERS (Not Applicable to Long Cause Hearings)

1. At least five (5) court days before the trial, each party shall serve and file all of the following, which shall be known collectively as Final Trial Papers.

- (a) A statement summarizing undisputed issues and disputed issues, with an updated estimate of trial time;
- (b) Current Income and Expense Declaration;
- (c) Updated Statement of Assets and Debts, if appropriate;
- (d) Supplemental Statement of Issues, Contentions, and Proposed Disposition, detailing any changes or additions since the initial Statement of Issues. No party shall be allowed to raise at trial any issue not adequately disclosed in that party's initial or supplemental Statement of Issues.
- (e) A statement identifying each witness the party reasonably anticipates it is likely to call at trial; however, this does not apply to rebuttal witnesses. Only witnesses so listed will be permitted to testify at trial, except for good cause shown. The statement shall specify the name, address, and telephone number of each witness, a general statement of the issues that will be addressed by the testimony of the witness, and a time estimate for the direct examination of the witness.
- (f) A list of exhibits, rather than the exhibits themselves, shall be filed with the Court. Parties shall exchange legible copies of all exhibits the party reasonably anticipates will be introduced at trial. Only disclosed exhibits will be permitted to be offered at trial, except for good cause shown. The parties are encouraged to have their exhibits premarked. The exhibits are to be exchanged between the parties, not just a list of exhibits, unless the parties stipulate that the exhibit list is sufficient, with only the exhibit list going to the Court.
- (g) A complete set of attorney's bills and statements to date, if attorney's fees are in issue.

2. The filing party shall serve the Final Trial Papers on the other parties in a manner to assure actual delivery to the other parties no later than five (5) court days before the trial (mailing 5 days before trial is not compliance).

3. A Trial Brief setting forth the applicable law is required. All Trial Briefs shall be filed and served in a manner to assure actual delivery to the other parties and to the court no later than five court days before trial.

4. Meet and Confer Statement: Each party (or their attorney, if represented) is required to file a declaration that they in fact met and conferred in an attempt to settle any and all issues prior to trial. The statement shall be filed and served on the opposing party five (5) court days prior to trial. If the meet and confer effort resolves issues, the parties shall so note in their Supplemental Statement of Issues and Contentions.

E. CONTINUANCE

1. Except as set forth below, no case shall be continued from the TRAC except upon an affirmative showing of good cause, such as unavoidable unavailability of a party, attorney, or essential witness.

2. At the request of both parties, the Court may continue a case from the TRAC one time to a subsequent TRAC for purposes of potential settlement in any of the following ways:

- a. Referral of a matter with a time estimate in excess of one day for a mandatory settlement conference.
- b. Referral of other matters for a voluntary settlement conference, by stipulation of all parties.
- c. A joint request by all parties based upon their representation that they will conduct an informal settlement procedure (such as a meeting of all parties and attorneys) and that they believe there is a reasonable likelihood that some or all of the issues will be resolved.
- d. Attendance by all parties and counsel at a settlement conference or informal settlement meeting is mandatory. Failure to attend and be prepared for any settlement conference or meeting may constitute sufficient cause for imposition of sanctions pursuant to California law, including, but not limited to, CCP §575.2 and CRC §2.30.

3. Should parties wish a continuance from the TRAC calendar other than to pursue a settlement (See #2 above) they must provide a written stipulation to that effect to the court at least five (5) days prior to the TRAC calendar. If only one party wishes a matter continued, that party has the burden of showing good cause why the matter should be continued which the Court in its discretion may grant or deny. Continuances are looked upon with disfavor.

F. RESERVED

G. CONTINUANCES FROM REQUEST FOR ORDER CALENDAR

Requests for continuances are looked on with disfavor unless good cause shown and will not be granted unless good faith attempts to contact the opposing party have been made prior to the day

of the hearing. Parties are encouraged to stipulate in writing to a continuance at least five (5) days prior to the hearing which is to be continued.

H. SANCTIONS FOR NON-COMPLIANCE WITH LOCAL RULES. Failure to fully comply with the foregoing rules, in the absence of good cause, may result in the other party being granted a continuance and may subject the offending party, or his or her attorney, or both, to sanctions pursuant to California law including but not limited to CRC § 2.30 and CCP § 575.2.

16.21 POLICIES FOR FAMILY LAW *(Effective date 7-1-90, as amended 7-1-98, renumbered 1-1-04, as amended and renumbered 7-1-04, renumbered 1-1-11)*

COMMENT: The Court believes it is important for counsel and litigants to know prehearing what the general policies of the Court are on certain issues that arise in the Family Law area; therefore, the Court has adopted certain "Court Policies" which it follows except in the unusual case. The Court reserves to itself the continuing discretionary power it has in making any final determination on these issues on a case by case basis. The goal and intention of the "Court Policies" is to encourage and enhance the ability of counsel and the parties to settle these matters without a court hearing wherever possible.

COURT POLICY # 5 CHILD SUPPORT WHEN CHILDREN ARE
SEPARATED

In this situation the Court will use the "set off" approach. The Court will apply the Guidelines to determine the support owed by the low wage earner and then determine the amount owed by the high wage earner, and then subtract the difference to determine the amount due from one party to the other.

COURT POLICY # 6 TRAVEL EXPENSE RELATIVE TO VISITATION
[COSTS]

(a) If the parties live in the same county or within fifty (50) miles of each other, the Court will ordinarily divide any minor travel expenses equally between the parties.

(b) If visitation requires air travel or automobile travel over long distances, the Court will ordinarily apportion costs based upon net disposable income, and the share of the payor spouse shall be added to his/her amount of support as set forth in the County Guidelines.

(c) The Court may vary from this approach if one party has unnecessarily or unreasonably caused the need for payment of travel expenses.

COURT POLICY # 9 JOB RELATED EXPENSES AND BENEFITS

COURT POLICY # 14 MEDIATION POLICY AND REFERRALS

It is the Court's policy that all family law issues should be mediated in order to help resolve issues which the parties and counsel are unable to resolve without assistance. The parties should first attempt mediation whenever feasible and whenever doing so will not create an undue hardship. At all hearings on family law issues, before setting and proceeding to trial, the Court will consider whether to recommend mediation as an alternative to Court intervention, and whether to continue the matter for the purpose of allowing mediation. *(Effective 7-1-90, as amended 7-1-98, renumbered 1/1/04, as amended and renumbered 7-1-04, renumbered 1-1-11)*

16.22 RESULT OF FAILURE TO COMPLY *(Effective date 1-1-09, renumbered 1-1-11)*

(a) Failure to comply with any of the rules contained within Rule 16 (16.1-16.20) may result in any of the following on request of an opposing party or on the court's own motion:

1. Making an order based solely on the pleadings properly before the court.
2. Making or vacating orders as the court deems appropriate under the circumstances.
3. Continuing the matter.
4. Awarding attorney's fees and costs against the non-complying party, without the requirement of filing either an Income and Expense Declaration or a noticed motion.
5. Removing the matter from calendar.

(b) The court retains discretion to excuse non-compliance with any rule or rules on a showing of good cause. *(Effective date 1-1-09, renumbered 1-1-11)*

LOCAL RULE 16 - FAMILY LAW *(Effective date 7-1-90, as amended 1-1-04, as amended 7-1-04, as amended 7-1-05, as amended 1-1-07, as amended 7-1-07, as amended 7-1-08, as amended 1-1-09, as amended 7-1-09, as amended 1-1-10, as amended and renumbered 1-1-11, as amended 7-1-11, as amended 1-1-12, as amended 7-1-12, as amended 7-1-14, as amended 1-1-15, as amended 7-1-15)*

16.24 CONTEMPT HEARINGS *(Effective 1-1-12)*

1. If a party cited for contempt appears without an attorney, one continuance normally will be granted to permit the citee to retain counsel.
2. If the citee claims to be indigent, the citee will be ordered to fill out a Financial Information Statement in the Court Compliance office. If citee is found to be indigent, an attorney shall be appointed to represent the citee.
3. The citee will be ordered to be present at the time and date set for the continued hearing, thus avoiding further service.
4. In all contempt proceedings, a specific order of proof is preferred. First, the moving party shall introduce in evidence the prior order of the Court (by judicial notice or otherwise) which order was in full force and effect at the time of the alleged contempt. Second, the moving party shall establish that the opposing party had notice of that order. Third, the moving party shall proceed to establish the violation of that order, and the willfulness of that violation.
5. As to contempt for failure to pay child support, parties and their attorneys, if represented, are expected to be familiar with CCP §1209.5.
6. The moving party and their attorney, if represented, shall be thoroughly prepared to present all required evidence clearly and expeditiously, without calling the citee to testify.
7. After the contempt hearing, it shall be the responsibility of the moving party to prepare an order for the signature of the Court, setting forth the findings and orders of the Court. Such an order will be submitted directly to the Court, without approval as to form and content by the self represented litigant. If the responding party is represented by counsel, it shall be submitted to counsel for approval.

8. The party or attorney preparing the Order After Hearing must set forth all findings of the Court including factual findings of the existence and current validity of a described order, knowledge of the contemtor of that order, the violation of that order, and the willfulness of that violation. Thereafter there shall be set forth the orders of the Court with regard to the finding of contempt, and the sentencing. No contempt order will be signed by the Court without compliance with the foregoing.

9. After a finding of contempt and sentencing thereon, there is no court policy that a stay of execution will be granted. Counsel are expected to advise their clients of this fact in advance of the court hearing.

10. In appropriate cases, the Court may permit a continuance of sentencing to assure compliance with Court orders.

11. If the citee fails to appear for hearing after proper service and proof being made thereof, the matter will proceed to hearing in the citee's absence. (*Effective 1-1-12*)

The process for complaints or questions by a party regarding the performance of their appointed attorney is established by this Court as follows:

A. For a party currently represented by court appointed counsel in an open case:

A request to be heard on the complaint or question must be raised as a Marsden based request by any of the following procedures:

1. Written request to the Juvenile Court Presiding Judge; or
2. Written request to add the case on to the Juvenile Court's calendar for a Marsden based hearing; or
3. Oral request in Court while on the record.

B. A request under 17.9(A) applies when the party intends to ask the Court to have their court appointed attorney relieved and to have a new attorney appointed, for reasons having to do with the competency of the appointed attorney, or to complain about the nature of the relationship between the party and their court appointed counsel.

C. Notice of the request for a hearing under 17.9(A) must be provided by the requesting party or it will be provided by the Court when the hearing is set.

D. The hearing itself will be with the counsel who is the subject of the complaint and the complaining party, and will be on the record, and in accord with the principles set forth in People v Marsden (1970) 2 Cal.3rd 118 and its progeny.

E. At the hearing under 17.9(A), the Court will not entertain receipt of evidence about the merits of the case itself. To that end, the Court may assign the hearing to another judge. The Marsden hearing is an informal hearing in which the Court ascertains the nature of the party's allegations regarding the defects in counsel's representation and decides whether the allegations have sufficient substance to warrant counsel's replacement.

F. This local rule constitutes a standing order that the information provided by the complaining party and/or the responding attorney is not discoverable and is not to be disseminated unless necessary for action on the complaint or to protect a constitutional or statutory right and pursuant to a court order beforehand

G. The Juvenile Court Financial Statement Form will be amended to include an advisement to the party of this local rule. (California Rule of Court 5.660(e).)

H. A party who has a complaint that does not fall within 17.9(A), can otherwise submit a written complaint about their court appointed counsel to the Juvenile Division Presiding Judge if:

1. The complaint does not address the merits or facts in an open case, and
2. The issues in the complaint are not the subject of a Writ or Appeal, and

3. The complaint includes a description of the relief requested.

- I. A written complaint under 17.9(H) will be addressed either directly, or through assignment, by the Juvenile Division Presiding Judge, with a response in either event no later than 90 days from receipt of the complaint.
- J. A copy of any written complaint will be provided to counsel subject to the complaint and said counsel will have an opportunity to respond. Counsel can request a hearing in lieu of a written response with notice of the complaining party.
- K. If it is determined that an appointed attorney has acted improperly or contrary to the rules or policies of the Court, the Court will determine what appropriate action to take and act accordingly.
- L. Complaints of formerly appointed counsel proceed through 17.9(H) only. *(Effective 7-1-96, as amended 1-1-02, as amended 1-1-10, as amended 1-1-11, as amended 1-1-12, as amended 1-1-15)*
